

Tuesday August 4th, 2026

8:30 am-12:30 pm PT

In Partnership with

**Free Online
Symposium**

The Science and Stories of Promising Biotech Startups

Organizers: Chia-Yung Wu, PhD (Lima Hui BioConsulting); Heidi LeBlanc, PhD

Pamela Holland, PhD
SVP Biology
InduPro Therapeutics

**Engineering the Next Wave of Bispecific
Therapeutics Through Cell Surface
Proximity Biology**

Brian Finrow, JD
CEO
Lumen Bioscience

**Biotech's Holy Grail: How Lumen
Bioscience has Pioneered Oral Biologic
Drugs**

Mark Frohlich, MD
CEO
Indapta Therapeutics

**Allogeneic g-NK Cells for the Treatment
of Cancer and Autoimmune Disease**

Marc Cummings, MS
President & CEO
Life Science Washington

**What Makes Washington A Top Global
Hub for Life Sciences Innovation?**

Jonathan Drachman, MD
CEO
StradBio

**Daiaad Technology: Re-engineering
Potent Immune Agonists to Widen the
Therapeutic Index**

Gold Sponsor

**WILSON
SONSINI**

Corporate Sponsor

Agenda on the Following Page

A Zoom link will be provided ahead of the webinar, please register on the PBSS website

Tuesday August 4th, 2026

8:30 am-12:30 pm PT

**Free Online
Symposium**

The Science and Stories of Promising Biotech Startups

Organizers: Chia-Yung Wu, PhD (Lima Hui BioConsulting); Heidi LeBlanc, PhD

Agenda

Time (PT)	Topic	Speaker
8:30-8:40 am	PBSS Welcome and Overview	Shichang Miao, PhD , President, PBSS / Peter Korytko
8:40-9:15 am	Engineering the Next Wave of Bispecific Therapeutics Through Cell Surface Proximity Biology	Pamela Holland, PhD SVP Biology, Indupro Therapeutics
9:15-9:50 am	Biotech's Holy Grail: How Lumen Bioscience has Pioneered Oral Biologic Drugs	Brian Finrow, JD CEO, Lumen Biosciences
9:50-10:25 am	Allogeneic g-NK Cells for the Treatment of Cancer and Autoimmune Disease	Mark Frohlich, MD CEO, Indapta Therapeutics
10:25-10:35 am	Break	
10:35-11:10 am	Daiad Technology: Re-engineering Potent Immune Agonists to Widen the Therapeutic Index	Johnathan Drachman, MD CEO, StradBio
11:10-11:45 am	What Makes Washington A Top Global Hub for Life Sciences Innovation?	Marc Cummings, MS President and CEO Life Science Washington
11:45 am-12:20 pm	Panel Discussion, Q&A, and Symposium Conclusion	All Speakers
